

SOCIAL AND PERSONAL

CITY COUNCIL IN SESSION.

The Sanitary Ordinance is Again Referred to Committee.

The City Council held a special meeting Tuesday night, with Capt. L. W. Lane, presiding, and Messrs. Cole, Jones, Spencer and Wolfe in attendance. Mr. Mercer was absent on account of sickness.

President Lane stated the object of the meeting to be to take steps to better the sanitary condition of the city. The city health officer, Dr. King, was present, and when asked his opinion of the proposed sanitary ordinance, said that it did not offer a further solution of the problem than already provided in various resolutions and ordinances now in force.

Whereupon, the ordinance offered at a previous meeting was read, and again referred to the sanitary committee with instructions to hire or elect a city scavenger, define his duties, and report same at the next meeting.

The city sergeant was directed to use the city fire engine, under the direction of the city health officer, to pump out polluted wells.

The city sergeant and police were directed to inspect the closets of the town monthly, except in November, December, January and February, when such inspections shall be made every other month. The officers are to be paid extra for this inspection as the street committee may direct.

About a Williamsburg Boy.

An exchange has the following about a well-known and popular Williamsburg boy:

"General Agent T. B. Jones and bride paid the Home Office a welcome visit last week. General Jones was the subject of many hearty congratulations. The fact that this bridegroom won second place in Ordinary in the same week that he fixed himself in the second place for life, is an interesting feature in his history.

The society column of the Richmond Evening Journal of the 14th had the following notice:

"Mr. and Mrs. Thomas B. Jones, who have been spending their honeymoon at the Jefferson Hotel, have returned to their home in Newport News. Mr. Jones is one of the most popular and successful general agents of the Life Insurance Company of Virginia, and has been the recipient of warm congratulations from many friends."

Hudnuts Violet Toilet Water 75c.—Williamsburg Drug Co.

The July Housekeeper.

While pereaps it cannot be said that The Housekeeper for July muckrakes midsummer hot days, it can at least be shown that the airy freshness of the pages purs the blistering heat to shame by teaching so many ways in which it can be overcome. The abundant fiction pages offer amusement for an afternoon in the hammock. Lillian Bell tells some new facts about satisfactory summer sanitation. The fashion plates show airy garments. But best of all, mayhap, are the household and cookery pages, for we must eat, whether at home or picnicing, and just how to make the table appetizing is very worth-while knowledge. The Housekeeper Corporation, Minneapolis, Minn. Seventy-five cents a year.

A WOMAN'S BACK.

The Aches and Pains Will Disappear if the Advice of This Williamsburg Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache; That's why Doan's Kidney Pills cure it.

Many Williamsburg women know this.

Read what one has to say about it:

Mrs. James H. Mahone, of Williamsburg, Va., says: "I used Doan's Kidney Pills and am glad to say that they gave me great relief, although I did not take them as regularly as I should. I suffered severely from backache and a kidney weakness for several years. I used many remedies, but did not find relief until I procured Doan's Kidney Pills. It only took a few doses to bring about a great change and I continued their use until the pains had left my back and my kidneys had become normal. I do not hesitate to give Doan's Kidney Pills my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York. Sole agents for the United States.

Remember the name—Doan's—and take no other.
